

# THEN AND NOW! JOYCE AND DORA

From the Home Page click on Explore the memories tab. Then click on Shopping. Click on Joyce and Dora talking about the dairy. When you have listened to the clip, answer the questions below. Later you will use your notes to report back to the rest of the class on what you have learnt.

The cows were kept in Kingy's field. What is on the site now?

Describe the journey the cows made to get to the dairy?

What happened to the cows at the dairy?

How did you get your milk?

How do we get our milk today and what does it come in?

Write down any other questions you have about dairies and milk production on the back of this sheet. See if you can find out the answers from other sources.
