

THEN AND NOW! MAUD AND ALICE

From the Home Page click on Explore the memories tab. Then click on Learning. Click on Maud and Alice talking about their school days. When you have listened to the clip, answer the questions below. Later you will use your notes to report back to the rest of the class on what you have learnt.

Where did Alice go to school?

How does she describe her teacher?

Why do you think the teacher held a ruler all the time?

Describe how the children sat in the classroom?

Does it sound like Alice ever had fun at school?

Write down any other questions you have about schools in the past on the back of this sheet. See if you can find out the answers from other sources.
