

WHERE IN THE WORLD!

Britain has been a country that people have visited and settled in for more than 2000 years! British people have visited and settled in other countries too. People living here today are sometimes born in Gravesham but sometimes they have moved from other parts of Britain or from other countries.

From the Home Page click on Explore the memories tab. Then click on Moving Here. Click on and listen to or read all the clips. Use the information you gather to answer the questions below.
